

English

We will continue our work on spelling words with silent letters. We will use commas for parenthesis and develop our reading skills through comprehension questions. We will plan and begin to write our own non-chronological report.

Maths

We will revise the four operations (add, subtract, multiply and divide). We will also learn about converting between different units of measurement. On Wednesday and Thursday, we will have our end of year Maths assessments.

Science

We will revise our learning from the Life Cycles unit ready for our end of year assessment on Tuesday. We will also begin to look at changes of state.

Moral Education

We will explore the different ways to overcome conflicts at home and in school.

31.05.20

This week in Year 5 we are learning...

Social Studies

We will continue to discover the challenges the UAE has faced with its rapid growth and how they are being overcome

Arabic and Islamic

قراءة الفهم والاستيعاب :
قصة هاتشيكو الوفي

مهارة النحو : تعزيز الحروف الناسخة
مهارة المحادثة : تقديم المحادثة حول
العيد، يوم الخميس 4 يونيو.

Islamic:

حديث شريف: مع رسولي صلى الله
عليه وسلم في الجنة.
يوم الإثنين.
