

English

To develop our reading skills through comprehension activities. In grammar, we will be revising relative pronouns and relative clauses and we will then be applying these skills to our narrative writing

Maths

The focus this week is measurement. We will be revising how to calculate perimeter and area of rectilinear shapes. We will also continue to develop our Mental Maths skills in our weekly test and on TT Stars

Science

All about different materials and their properties, including their hardness, transparency, conductivity (electrical and thermal) and response to magnets

Moral Education

To self-reflect on our key learning skills during remote learning.

17.05.20

This week in Year 5 we are learning...

Social Studies

To discover the challenges the UAE has faced with its rapid growth and how they are being overcome

Arabic and Islamic

اللغة العربية- مهارة قراءة الفهم والاستيعاب
- نص نثري: طموح زايد وصل إلى الفضاء
النحو : تعزيز الحروف الناسخة.
محادثة : التخطيط للمحادثة حول العيد، كيف
ستمضين العيد؟ ما هو مخططك لفضاء
العيد؟.

الدراسات الإسلامية - يوم الإثنين: عنوان
الدرس (الشجاعة)

- استخلاص آثار قيمة الشجاعة على الفرد
والمجتمع.
- استنتاج ثمرات الشجاعة ومجالاتها.
